Important roadworks information

Dear Sir/Madam

A14 East and Westbound Closures for Surveys

I write to inform you that we'll be carrying out surveying works to allow us to design an additional drainage system to prevent the flooding that occurs regularly in the central reserve.

We plan to complete this work over **4 Nights** from **Tuesday 21st to Friday 24th March 2023** working between the hours of 10pm to 5am, subject to weather conditions.

The eastbound will be closed Tuesday 21st and Wednesday 22nd from J13 to J20 and the westbound will be closed Thursday 23rd and Friday 24th from J20 to J13.

We will only allow access to local residents living within the closure via an escort when safe to do so. Those residents requiring an escort will need to produce a copy of this letter to gain access to the closure.
